The DIMMER VIEW

Non-supporting Support

An El Cajon newspaper editorialist lambasted as "Facts vs. Fancy" the position this newspaper took in opposition to the upcoming bond issue proposed by Grossmont Hospital.

In a lengthy article the writer excoriated the material as "fancy" and listed his opinions as "facts."

His opinions were stronger than those issued by the proponents of the March election issues.

It was sheepishly wrapped up with the inference that his newspaper's support for the issue was yet to be decided — and then decided only on "facts."

Hasn't decided?

Wanna' bet?

Christmas at A Mexican Orphanage

A little more than a month ago this column urged those who had a strong feeling of charity to take part in the local chapter of the national professional journalistic society's annual project—that of administering to the little girl orphans of the House of the Good Shepherd in Mexicali.

The sponsoring group, members of Sigma Delta Chi, and some friends, made the trip to the orphanage Saturday, and a rewarding experience it was—as it has been every one of the past eight years.

Approximately 100 little girls, ranging from three to fifteen years of age, are cared for at the Catholic facility which is managed by less than a half dozen madres. The youngsters were ecstatic with joy when the van load of gifts was driven through the seldom unlocked iron gates. No litle girl was neglected. There were almost five thousand individual packages from hundreds of generous people who answered the call for Christmas giving.

The nuns were asked to meet the caravan of gifts on the U. S. side of the border. When the Mexican border guards wanted to examine the packages in the truck, a nun berated him roundly in Spanish and amid much arm waving the cargo was passed.

One of the vehicles carried Tony Gearhardt, a professional, non-paid Santa Claus. He shouted "Feliz Navidad" to the guard and was passed quickly.

When the big iron gates at the House of the Good Shepherd were opened the little girls jumped up and down and chortled with glee, clapping their hands and shouting welcome in Spanish. Three of the madres scurried about keeping the little ones out of the way of the caravan of cars which were driven into the compound to park.

Santa held the attention of the youngsters as the packages were unloaded. Packages were placed in an orphanage room where they would be looked at but not touched until Christmas Day. One of the newsmen, Ken Reiley, of Copley newspapers, drove downtown and bought the biggest Christmas tree he could find. This would be the centerpiece for the gifts later.

As many of the girls as could chose a woman visitor. The girls desperately needed to be touched and loved by a mother-figure. Five of the little waifs who were under fifteen years of age were pregnant. They were pitifully lonely and confused. Most of them held tightly to any visitor's hand they could grasp. It reminded those of us who were more fortunate how important it is to be wanted—and loved.

One Lemon Grove family, the family of Dr. V. L. Van Zele, wanted to "adopt" a child. Little Rosa Gutierez was chosen and her picture with gifts was taken for them. The Van Zeles sent several big cartons of food, clothing and toilet articles to "their" little girl. She danced with joy and clutched one gift to her breast. She never let it go.

Rosa, as all of the waifs there, had a thing in common. They either had only one parent, or none and all were better off at the orphanage than they were before they came to the home.

Even so, the home has few conveniences. It was cold Saturday when the caravan arrived. Yet, there is no heat in the orphanage. There were few unbroken windows when members of Sigma Delta Chi became interested in the home. One year members spent the holidays putting window glass in. Another year 68 old sewing machines were collected and delivered. After that requests came for sewing material as the little girls learned a trade.

Another year members of the society had the home wired. Until then an unbelievable number of wires came from single electric outlets. . . One year the leaky roof was the project—but it is leaking again.

The girls put on a song and dance show for the visitors on the stage in one of their classrooms. The girls were spirited and talented. Some of the songs were sung in English although none of the youngsters spoke the language. They probably spent months memorizing the words—just for the occasion.

The nuns, together with the larger girls, prepared and served a meal of tortillas, beans and chicken gizards. It was their idea of a holiday meal.

When farewell time came, it was tearful. The little ones who had attached themselves to the visiting ladies clung more closely and wailed.

Some of the visitors had moist eyes, too.

To those who contributed to the girls at Mexicali's House of the God Shepherd we say "'Feliz Novadad."

'Suite' On Tap at Southwestern

The California Ballet Company, in conjunction with the Chula Vista Education Department, will present the "Nutcracker Suite" and "Coppelia, Act II" on Tuesday, in two performances in Mayan Hall at Southwestern College in Chula Vista.

A matinee program will be presented at 2:30 in the afternoon and the evening performance curtain time is the traditional 8 p.m.

Prices for the performances are scaled at $1.50 for students and $2 for adults at either performance. Seats will be sold at the box office and advance reservations will be held through the city schools.

Full information regarding ticket sales may be obtained from the Chula Vista Education Department or the California Ballet Company.

Unruh Raps Reagan On Promise Failures

by Max Goodwin

What promises to be one of the roughest political battles of the coming year was indicated Tuesday when Assemblyman Jess Unruh brought his campaign for governor to San Diego.

"It will be both pro-Unruh and anti-Reagan," he said at a press conference at Hotel del Coronado.

He charged that Gov. Reagan has failed to meet his promises on tax cuts, aid to education, and reduction in crime.

"Instead of no new taxes Gov. Reagan has brought about an additional tax cost of $74 for every man, woman and child in the state," Unruh said.

"He has been equally unsuccessful on every campaign issue," Unruh added.

Unruh was here on a "fund raising mission."

Larry Lawrence, co-chairman of the Unruh for Governor Committee in San Diego County said that a group of 45 businessmen has committed $50,000 to the Unruh campaign fund at a luncheon earlier Tuesday. A $25-a-plate dinner attended by 600 persons was preceded by a $25 a person reception, both at del Coronado. These produced another $10,000 Lawrence said.

During the day he told students at San Diego State that he would, as governor, institute financial legislation that would guarantee a place in state colleges for every student graduating from high school.

He also said he would call for lowering the voting age to 18 years.

Unruh outlined his tax reform programs as calling for a ceiling on property taxes, generating $150 million additional income through a state withholding income tax regulation, and another $35 million by closing loopholes on oil and insurance firms.

Unruh said a resurgence of support for the Democratic Party included "some moderate Republicans and McCarthy supporters."

Mayor Joseph Alioto of San Francisco "probably hasn't made up his mind" regarding the governor's race, he said. "But he ought to and not skitter around it."

Grove Man Said Dead In Vietnam

Peter K. Miranda of Lemon Grove was named by the Defense Department Tuesday as among recent Vietnam casualties.

An Army Spec. 5, Miranda's death was listed as not directly caused by hostile action. His body will be returned to San Diego.

His parents, Mr. and Mrs David M. Aranio, lived at 1948 Noble st.

MV Drummer Takes Honor

As if the Monte Vista High School band doesn't have enough honors as it is, along comes a 15-year-old drummer to corner more laurels

Wayne DeBord, a junior at the school, won the annual Grossmont District Drum Competition Thursday at El Cajon Valley High.

Twenty-six drummers from the District's eight schools were judged by professional drummers Louis Bellson and Remo Belli.

DeBord and the Monarch band will march New Year's Day in the Rose Parade in Pasadena, having won that honor by placing first in the Autumn Band Review this year.

Ray Miller, 14, a sophomore from El Capitan High was second, while Mt. Miguel's John Emerick, 17, was third.

Home Parking Studied

Planners Ask Tighter Laws

SAN DIEGO (CNA) — The County Planning Commission decided on Friday people who drive automobiles should have some place to park them off the street.

The commission recommended to the Board of Supervisors an upgrading of the obsolete county requirements of one off-street parking space to each living unit.

The proposed new ordinance would call for two spaces for each dwelling unit in one or two family houses, and all other living units except studios.

Studios would require one and a half spaces.

The Construction Industry Coordinating Council agreed with the major change from one to two spaces, but said only one space should be required for studios and one bed room apartments.

Stanley J. Silverman, council sub-committee chairman said the county should continue to study its parking requirements as to lot location, screening, in the view of providing flexibility.

Silverman said many builders in first class apartment projects are already exceeding the proposed new county regulations.

Chamber's Contest Deadline Nears

The deadline for the L.G. Chamber of Commerce's Home Christmas Decorating contest is 3 p.m.

"We will take entries by telephone until 3 p.m." she said.

Judges will tour the route 7-8:30 p.m. December 22, she said.

Nothing more than a phone call — and a decorated home is necessary to enter, she said.

The Chamber's telephone number is 469-9621.

UC Says No Frosh

The San Diego campus of the University of California has received a sufficient number of applications to fill its freshman quota for the Fall quarter of 1970, it was announced by Harold E. Temmer, Registrar and Admissions Officer.

UC campuses still accepting freshman applications are Irvine, Riverside and Santa Barbara. The Berkeley campus is closed to freshmen in the colleges of letters and sciences and environmental design, but is still accepting freshmen applications for the other colleges on the Berkeley campus.

"The San Diego campus is also closed to freshmen applications for the Spring quarter of 1970," continued Temmer. "However, we are still accepting applications from transfer students at all levels for both the Spring and Fall quarters of 1970."

Rain Total .39 Inches

The recent storm produced but thirty-nine hundreths of an inch of rain but it kept the season's total of 1.54 inches ahead of last year's total of 1.06 inches.

On Dec. 9, .36 inches fell. The next day a drizzle brought .03, according to Dale Chamberlain, Fire Department Meteorologist.

The rain season starts July 1 each year and ends June 30. Rain measurements are taken each day at 5 p.m.

Board Likes CTA Move, Wants More Information

Lemon Grove Trustees expressed approval Tuesday night of a CTA Initiative to require the state to provide more funding for school costs, but postponed action until they could learn more on the matter.

The Board of Trustees supported the motion. "If for no other reason than it may prod the state legislature into action," according to Warren Buckner.

Board member Bert Cosby agreed, but wanted to see a breakdown of the Initiative. The board decided that more information was needed and postponed formal approval.

The Initiative, currently being circulated by petition to be placed on the June ballot, would restore the concept of 50-50 state and local support for public schools.

According to board member Byron Netzley, this has not happened since 1953.

"I know one thing, we're going to need more money from somewhere," said Buckner.

In other action, the board considered possible purchase of a portable classroom to supplement the Monterey Heights school.

They heard a report that a classroom was for sale by Orange Glen, but were advised to keep shopping.

The board also approved a free lunch program for six needy children, while cancelling programs for three others who have since moved.

The total of students now receiving free lunches in the district totals in the mid-40's range.

The board also heard a report from the Director of Instructional Programs, who advised, among other things, the discontinuation of the summer Head Start program next year.

He said that "there aren't enough students here to make it operational," and pointed out that last year the program had to reach out of the district to enroll enough students.

Brung Down, Hung Up? Here's Help

Are you a young person who is hung up with drugs, sex, the draft, school, parents?

Nobody to talk to, nowhere to turn, can't trust anyone?

There's a way to get a load off your mind — it's the YMCA Youth Lifeline.

The Lifeline is an individual rap-session with a well-trained, honest counselor. It is NOT a bust or anything else uncool.

If you don't dig it, just leave. What could be more simple?

The counselors specialize in problems that are peculiar to today's young people and can often provide valuable advice and/or information involved in making personal decisions.

More, it's an ear to listen when you're in trouble or seek help. An ear that won't turn you in to the law or your parents and will keep all information confidential.

Walk in or call for an appointment for a counselor at the YMCA. It's located at 1115 8th ave. in San Diego. Phone numbers are 233-1333 or 233-5233.

It's free.

Always and Everywhere

Let no one imagine that it is a strained and unnatural thing for one to pray. The contrary is much closer to the fact. It is far more unnatural for one not to pray. Prayer is one of the most natural of human instincts. Prayer is man's response to the divine will.

Assembly of God Church Has Live Nativity Scene

Spring Valley's Assembly of God Church will present a live nativity scene, Pastor Ron Anderson reports.

The church, located on a hilltop at the intersection of Paradise Valley rd. and Sweetwater rd., is marked by an eight-foot star visible from Sweetwater rd.

The nativity scene, which is expected to include live animals as well as actors, will be on display Saturday, Sunday and Monday nights, from 6:30 to 9:30 p.m. each day.

Seven persons will assume roles of Mary and Joseph, the three wise men and a pair of shepherds.

Pastor Anderson expects several sheep to be included among the animals, says he has been promised the loan of a burro and may include other animals.

Learn Spanish the Easy Way

Hardison's Telespanish

By JAMES HARDISON

Are Christmas carols popular in Spanish-speaking countries? If so, could you give an example of a simple Spanish Christmas carol with the related translation?

Carols are sung with great enthusiasm in Spanish-speaking countries during the Christmas season. They are as traditional as our own English carols and add much to the spirit of Christmas.

Many English carols have been translated and sung in Spanish. However, translations of the words and titles are changed to accommodate the music and culture. For example, "Noche de Paz" (Night of Peace) is sung to the melody of Silent Night.

There is a Christmas carol which is popular in the Spanish-speaking world, and, to date, is little known in our culture. One of the key words in the carol is "Noche Buena." This expression looks like it should mean "Good night" in English. However, it means "Christmas Eve." The complete title of the carol is "Esta Noche es Noche Buena." A literal translation would be "This Night is Christmas Eve."

A verse of "Esta Noche es Noche Buena" is included in the practice phrases below. You may practice singing the carol with the recorded voice heard on your telephone when you dial 276-2762.

Esta Noche Es Noche Buena
Say "Esta Noche es Noche Buena." (EH-stah NOH-cheh ehs NOH-cheh boo-EH-nah)
For "This Night is Christmas Eve."
Say "Noche de felicidad." (NOH-cheh deh feh-lee-see-DAHD)
for "Night of happiness."
Say "Esta noche es Noche Buena." (EH-stah NOH-cheh ehs NOH-cheh boo-EH-nah)
for "This Night is Christmas Eve."
Say "Y manana Navidad." (ee mahn-YAH-nah nah-vee-DAHD)
for "And tomorrow (is) Christmas."
Say "Las estrellas en el cielo." (lahs eh-STREH-yahs ehn ehl see-EH-loh)
for "The stars in the heavens."
Say "Tienen nuevo esplendor." (tee-eh-nehn noo-EH-voh eh-splehn-DOHR)
for "They have new splendour."
Say "Los ojitos de los ninos." (lohs oh-HEE-tohs deh lohs NEEHN-yohs)
for "The little eyes of the children."
Say "Ven andando su fulgor." (vehn ahn-DAHN-doh soo fool-GOHR)
for "They see a glow coming."
FELIZ NAVIDAD Y PROSPERO ANO NUEVO for Merry Christmas and Happy New Year.

Cranberry Fillets for Holiday Dining

Holiday meals need not be elaborate . . . or expensive . . . to add cheer to family dining. Any homemaker who dares to be different can delight her family with this entree even on her busiest shopping day.

Part of the charm of Cranberry Fillets is the simplicity of preparation. In half an hour the succulent cod fillets, covered with bright berries are ready to serve. The cost—a slender 37¢ per serving—is welcome at a time of year when bank balances diminish under the one-two punch of gifts and guests.

CRANBERRY FILLETS

2 pounds frozen cod fillets
¼ cup butter or margarine, melted
2 tablespoons lemon juice
1 teaspoon grated onion
1 teaspoon salt
⅛ teaspoon liquid hot pepper sauce
Dash pepper
Chopped parsley

Thaw frozen fillets and cut into serving-size portions. Place in a well-greased baking dish, 12 x 7½ x 2 inches. Combine butter, lemon juice, onion and seasoning; pour over fish. Bake in a moderate oven, 350 degrees F., for 25 to 30 minutes or until fish flakes easily when tested with a fork. Sprinkle with parsley and serve with cranberry sauce. Serves 6. Approximate cost per serving 37¢.

Cub Pack To Carol

Blending with the season spirit, members of Lemon Grove Cub Scout Pack 318 will visit area convalescent and rest homes to sing carols Monday evening.

Theme of the December meeting is "Christmas Around The World," and the Cubs will display items they have made in their Dens this month.

Each Cub will receive a filled Christmas stocking and will take part in a gift exchange. Following the party, model space rocket kits will be distributed in preparation for the race derby to be conducted at the January meeting.

Pack 318's annual Needy Family Project was held this month with each of the group's 56 boys contributing money he had earned toward the purchase of food, clothing and toys.

Monarchs Recover After Loss; Win Big

By SCOTT McGAUGH

The Monte Vista roundballers snapped their three-game winning streak last weekend by dropping a 68-65 squeaker to the Castle Park Trojans.

The Trojans hit early and led 19-16 at the end of the first quarter as the Monarchs couldn't quite get their running game going.

The two squads then matched each other's efforts in the second period with ten points each for a 29-26 Trojan advantage at intermission.

The third quarter then saw the Monarchs fall apart as the Trojans leaped to a 12-point lead twice in the third period before going in the final stanza.

A full court press by the Monarchs then took effect as the roundballers battled back to within two at 65-63 before time ran out.

Castle Park's strong, 6-5 center, Elias Delgadillo, led all scorers with 24 points. He streaked with nine points late in the game as the Monarchs drew close.

Bob Peterson added 20 for the Trojans, who remained unbeaten with the win. Jim Bristol led the Monarchs with 19, while Dan Heien (16) and Gary Earle (14) were also in double figures.

Monte Vista then bounced back however to maul the Hilltop Lancers, 70-55, on the losers' court the next night.

After leading 14-12 at the end of the first quarter, Jim Krattli then came off the bench in the second period to score ten points and lead the Monarchs to a 35-28 halftime lead.

Krattli hit on eight of ten shots in the game for 20 points, his finest effort of the season.

Monte Vista still led by seven going into the final quarter and then held the Lancers to seven points while picking up sixteen to win going away, 70-55.

The Monarchs are now 4-1 in pre-season play and will participate in the annual Kiwanis Basketball Tournament this weekend. The Monarchs are seeded second behind Helix in the pre-tournament rankings.

Sports Schedules:

Walton Goes Berserk As Helix Wins Pair

Helix, playing more and more like the best team in the county, won a pair of games in impressive fashion over the weekend.

The occasion was a doubleheader with Monte Vista and the Highlanders clashing with Metro teams Hilltop and Castle Park.

The Scots had little trouble with Hilltop the first night, winning 90-53, while Castle Park squeaked by Monte Vista in a battle of unbeatens, 68-65.

So the stage was set for the unbeaten Trojans, with their strong, 6-5 center, Elias Delgadillo, to take on Bill Walton and Helix.

The result was an easy, 92-56 win for the Scots and 46 points for Walton in his best night ever.

The 6-10½ center scored on 10 of 15 free throws, and 18 of 21 shots from the field, many of them tips after teammates missed baskets. He also pulled down 28 rebounds and intimidated the Trojans.

Delgadillo, giving away what seemed like half a foot in height, was held to 14 points, his poorest night of the year by 10 points.

The Highlanders' small half of their Mutt and Jeff scoring combination, 5-9 guard Mike Dupre, netted 25 points.

Walton's big effort was good for the Highlander school record, topping the old standard of 44 points set by Jim (Bones) Bowers in 1959.

It also fell but one point short of the Grossmont League single-game record, 47 points by Granite Hills' Tim Doerr. Doerr is still active.

County record for one game is 60 by a St. Augustine player named Tom Shaules, set in 1958. Shaules, a 5-7 guard, connected on 25 of 30 attempts from the floor in that effort against Crawford.

Castle Park defensed Walton with a man-to-man, hoping the strong Delgadillo could slow him down. It didn't work, as Walton plugged in for 21 points in the first half and tacked on 25 more in the second go around.

In the Hilltop contest, Walton scored 24 points, and Dupree chipped in 25, fast becoming his usual output.

Forward Mike Honz added 16 but no other Highlander was in double figures.

Hilltop's Pete Jackson led the Lancers with 15 points.

After the two games, Helix led the county in team offense with 80.4 points per game, and Walton was second individually, with a 28.4 average. Dupree ranks 8th with his 25.0 average.

Gulls Return For Home Sets Sunday Evening

The San Diego Gulls close out their longest road trip of the season on Saturday night in Phoenix, and then return to the Sports Arena on Sunday night to host the Western Hockey League's newest addition, the Salt Lake Golden Eagles, for the first time.

The game in Phoenix Saturday evening will conclude a six-game road swing, the longest of the year for the Gulls. The trip started in Phoenix last week. The Gulls played at Vancouver Tuesday night and in Portland last night.

Sunday night's game against Salt Lake will be the Gulls' third games against the Golden Eagles this season. Salt Lake beat the Gulls in the season opener in Utah and the two teams tied, also in the Salt Palace.

Following the game Sunday evening, the Gulls and Sports Arena will host a "Skate-In." All fans attending the game are invited to bring their skates and test the Sports Arena ice following the Gulls-Golden Eagles game.

As another added feature to the game, the popular Mighty Mites will skate between the first and second periods. The six to eight-year-old hockey players will be making their first appearance of the season at the Sports Arena.

With the seige of injuries, Ross Perkins and Dave Richardson were recalled to fill the gaps in the Gull lineup.

Charger season ends, Rockets seek new start

By Chuck Curtis

With this issue of the Lemon Grove Review this column becomes a regular feature.

For the past 10 months it appeared as a feature of a neighboring weekly so your editor is no stranger to the area.

This column is being written on Sunday evening after having been present when the San Diego Chargers closed out their 1969 season in a blaze of glory.

The season was a disappointing one since injuries and the illness of Sid Gillman put the Chargers out of the pennant race, but you couldn't tell by Sunday's crowd.

The Chargers closed out their season with a 45-6 trouncing of the Buffalo Bills.

On hand for the debacle were over 47,000 fans raising the season total for the 12 home games to 533,048, a new Charger record.

During the season Lance Alworth continued his record of having caught one or more passes in every professional football game in which he has played.

Sunday his total reached 96 consecutive games, passing the record of 95 set by the great Don Hutson. Hutson, long retired from professional football, was on hand and when Alworth made his historic catch, Hutson ran on the playing field to congratulate Lance. The officials presented Lance with the game ball which he turned over for inclusion in the football hall of fame.

Another happening during the season was an evident desire by the fans for the replacement of John Hadl as quarterback, this in spite of the fact the team's problems were other than Hadl.

Sunday John took the ball on the first Charger offensive and tossed a pass to Garrison for a 41-yard touchdown play. The Chargers kicking specialist Dennis Partee converted and it was enough for victory.

Hadl went on to complete 16 of 29 passes for 262 yards and two touchdowns. Marty Domres replaced Hadl in the fourth period, completed one pass for 25 yards and then ran the ball in for the Charger's final touchdown, putting them in front 45-0.

Charger Coach Charley Waller then sent in rookie quarterback Pete Mikolajewski, who had been added to the roster that day. Pete ran the team well but was spilled for one fumble that set up the Bills' only score.

On the basketball front the most recent development was the firing of Jack McMahan as coach of the San Diego Rockets.

On the eve of their last home game it was announced that Alex Hannum had been signed to replace McMahan.

Hannum, a native of Los Angeles, was an all-city cager in high school where he was also student body president. He attended USC for a year before entering the army for three years. Following his army hitch he returned to USC where he was All-Coast and honorable All American for the 1947-48 season.

Hannum opened his pro career with Oshkosh of the National League. Then he spent two seasons with the Syracuse Nationals. This was followed by three seasons with Rochester before going to Milwaukee, from whom he was obtained by the St. Louis Hawks in 1955. In the 1956-57 season he started with Ft. Worth and then returned to the Hawks as a player-coach.

The Hawks won the Western Division title that year. The following season they won the NBA championship.

Hannum left the pro ranks for the next two years while he served as head coach of the Wichita Vickers in the AAU. He guided them to the national amateur crown in the 1958-59 season.

He returned to the NBA in 1960 and spent the next three seasons with Syracuse and then three with the San Francisco Warriors.

In 1966 he took over as head coach of the Philadelphia 76ers and piloted them to an unprecedented 68-13 record and the world title. The next season his team compiled a 62-20 record and won the Eastern Division championship.

He then became coach of the Oakland Oaks in the ABA and led them to the league title with a 60-18 record.

The Rockets took the floor for the first game under their new coach and it turned into the most exciting game of the season and a Rocket victory.

While it was far too soon to expect great changes by Hannum (he and the team had no chance to work out together and just a brief meeting prior to the game) there was a difference.

Much as your editor liked Jack McMahan there was one strategy he used in every game that bothered me. In every game there would be times you could hear McMahan screaming for one or another of his players to "Take the foul." By this he meant for his player to intentionally foul one of the other team's players. This is according to the rules, but it annoys me no end.

I have the constant feeling that it isn't fair to the fans. Once it was against the rules and called for a two-shot foul if a player was detected intentionally fouling.

Personally I feel this is not enough. I feel it should become a penalty foul with the fouled player given three shots to make two points.

With Hannum's debut I did not hear one cry of "Take the foul," but was pleased to hear Hannum constantly exhorting the Rockets to "Run, run." This made the game fast and exciting.

It may be too late for Hannum to salvage a winning season this year but he is certain to salvage a great deal of the fans' respect and should help increase the home game attendance.

We at the Review and Bulletin wish to extend a hearty welcome to Coach Alex Hannum and wish him the best possible season. We will be on hand to cover for the Rockets and anticipate an exciting season.

Waller Wins Gillman's Blessing As Chargers Topple Records

The contract of Coach Charlie Waller has been extended indefinitely, the San Diego Chargers announced.

He's done a fabulous job," said General Manager Sid Gillman. "I am very pleased with the way Waller and the assistant coaches went right to work and the tremendous response of the players. They made the end of the season a pure delight."

Waller replaced Gillman as coach on Nov. 10 when illness forced Gillman to retire. The Chargers, under Waller, lost to Oakland, 21-16, then defeated Denver, 45-24; Houston, 21-17; Boston, 28-18, and Buffalo, 45-6.

It was the first time since 1960 that the Chargers ended a season with four successive wins.

With a surging finish of four victories, the Chargers ended 1969 with a record of 8-6 and third place in the Western Division of the American Football League.

Three Chargers won individual league titles — Dick Post, rushing; Lance Alworth, pass receiving, and Dennis Partee, punting.

Post, the spectacular little (5-9, 190) three-year veteran, scored a runaway victory over Jim Nance of Boston with 873 yards to 750 for Nance. Hoyle Granger of Houston was third with 740.

Post averaged 4.8 yards for 182 carries, scored six touchdowns, caught 24 passes for 235 yards and had five 100-yard games rushing.

Alworth captured his second pass receiving title in a row with 64 catches for 1,003 yards. Fred Biletnikoff of Oakland was second with 54 catches and Al Denson of Denver third with 53.

Alworth's 1,003 yards was his seventh successive season gaining more than 1,000 yards, a pro football record, and second high total in the league to the 1,260 by Warren Wells of Oakland.

Partee captured the punting title with a Charger record average of 44.6. He also led the club in scoring with 78 ponts.

Speedy Duncan finished second in punt returns with a 10.4 average and third in kickoff returns with a 28.0 average. Both titles were won by Bill Thompson of Denver.

Quarterback John Hadl ended fifth in passing and with 2,253 yards, surpassed 2,000 yards for the sixth consecutive year.

As a team, San Diego was second in total defense (behind Oakland) with an average of 330.1 yards, and sixth in total defense allowing an average 302.6.

However, it was on defense that the Chargers showed their greatest improvement since 1965.

The Chargers intercepted 31 passes, second highest total in club history and only one behind AFL leader Kansas City. Individually, Jim Hill with seven and Bob Howard and Speedy Duncan with six were among league leaders.

The Chargers also hung up a new attendance record — 803,274 for an average of 42,278.

HANNUM DEBUTS — The face of Alex Hannum was reasonably serene during his debut as new coach of the San Diego Rockets, but that may well have been because his team led throughout the ballgame. (See column "Chuckin' Sports" for more about Hannum.) Photos by Chuck Curtis

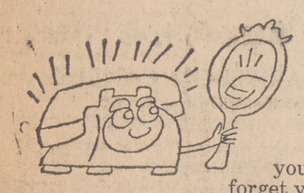
If you're calling long distance to loved ones this season, remember that telephone lines can be overloaded during the holiday rush. It's best to make sure you know the area code and the number ahead of time. Then dial the call yourself it's faster. And don't forget: every night, special late night rates from midnight to 7 AM allow you to dial direct station-to-station anywhere outside of California in the continental U.S.A. (except Alaska) for 75¢ or less for the first three minutes. For example, you can call when it's 6:30 AM here and it will be 8:30 AM in Chicago or 9:30 AM in New York.



You'll probably be doing some extra cleaning around the house during the holidays. And while you're sprucing up don't forget your telephone. Grime and smudges can be removed with a damp cloth. Harsh abrasives or cleansing powders only dull the surface. Now that phones come in so many beautiful colors they're an important home furnishing—so don't neglect yours!

Area Gets Top Seeds In Kiwanis Tourney

Helix and Monte Vista have been seeded the number one and number two teams in the Unlimited Division of the annual Kiwanis Basketball Tournament, due to start today.

The Highlanders have been slated to oppose Patrick Henry High in an 8:15 p.m. game at Grossmont College.

The Monarchs draw another Eastern League ttam, Crawford, at 6:30 p.m. at Grossmont.

Mt. Miguel, the third area team in the division, is matched with Madison in an 8:15 p.m. game at Mesa College.

Other pairings include Clairemont vs. El Cajon; Hoover vs. Oceanside; San Diego vs. Granite Hills; Kearny vs. Morse and Grossmont vs. Pt. Loma.

Excellent teams such as Lincoln, Castle Park, Chula Vista, Santana and El Capitan will vie for honors in the Limited Division of the tournament.

If Helix gets back past Henry, they'll play the winner of the Clairemont-Cajon game at Grossmont at 8:15 p.m. tomorrow.

The winner there will advance to the semi-finals at 7:15 p.m. at Grossmont Saturday, while the loser is eliminated.

Finals are scheduled for 9 p.m. at San Diego State, while the third-place game is at 10:30 a.m., both Monday.

Monte Vista could conceivably find their way into the finals to oppose Helix.

They'll have to get past either Grossmont or Pt. Loma to reach the semi-finals.

Winless Miguel is matched with one of the top seeds, Madison High.

Losers in the first round of play will continue to advance in consolation play until another loss or until they reach the consolation championship.

Grossmont Banquet Honors Area Gridders

All three area high schools were represented Dec. 11, when Grossmont College honored the 50 members of its Mission Conference Championship Football Team with a banquet.

Grossmont won the Mission Conference title wth a perfect 6-0 season.

Among the lettermen were ten graduates of Helx High, three from Mt. Miguel and three from Monte Vista.

Helix grads were John Bahno, Judd Carson, Ed Couvrette, Jim Dillihunt, Greg Gleason, Keith Grote, Larry Sweat, Greg Whillock, Bart Williamson and Brian Woolford. Mt. Miguel grads were Richard Abood, Mike Bauer, and Dave Storm. Monte Vista grads were Reg Hightower, Louis Oriol and Bill Worden.

Special awards were given six players in five categories with area athletes taking half of them.

Greg Gleason was named Best Offensive Back; Bart Williamson, Most Inspirational Player; and Dave Storm tied with Pete Larsen as Best Defensive Lineman. The other awards went to Ron Wooten as Best Defensive Back and Steve Sutton as Best Offensive Lineman.

The banquet, jointly sponsored by the school and the Boosters Club, was served by members of the Associated Women's Service known as the "Benchwarmers." They were given recognition for having served the team its pregame meals all season long.

Coordinator of the banquet was the charming Mrs. Doris Meier, secretary to the athletic department.

Football Coach Bob Rump took over the duties of master of ceremonies when athletic director Noel Mickelsen was stricken with the flu.

Dr. Robert Burnham, Grossmont College president, addressed the assemblage which numbered well over 200 persons.

Miguel Drops 5th Straight

Mt. Miguel was unable to shackle Kearney's James Ross and the result was a 80-66 defeat at the hands of the Western League Komets.

The Matadors kept close through three periods, 58-52, but Ross fired in 10 of his 28 points in the last quarter to put his team ahead by 15 to 16 points in the stretch.

John Slater led the Mats with 18 points, converting 10 of 14 foul shots. Tom Young chipped in with 17.

Slater has a 17.4 scoring average after five games.

The Matadors, who just two years ago were unbeaten and county champions, have gone winless in their five games so far.

Aztecs Embark On Three-Day Midwest Trip

If you should happen to hear any of the San Diego State basketball players humming "White Christmas" or singing "Let It Snow", don't be surprised .

The Aztec cagers of coach Dick Davis will take the annual Midwest trip this coming weekend and will venture from the land of sun to a region where snowmen abound.

State opens its three-game swing Saturday night at Carbondale, Illinois, meeting the Salukis (3-1) of Southern Illinois University. The Aztecs will then plane to Chicago for a Monday encounter with Northern Illinois University in nearby DeKalb and then journey to Minneapolis on Tuesday for a game with the University of Minnesota.

The Aztecs will have to take their "longies" with them as the temperature in Chicago has been averaging a high of 36 degrees while in Minneapolis the thermometer has been hitting a high of 20 degrees.

San Diego "warmed up" for the tough three-game trip last weekend with a pair of home non-conference contests. Friday, State's three game unbeaten streak came to an end at the hands of San Fernando Valley State, 84-74. The Aztecs bounced back on Saturday to whip UC Irvine, 80-68.

"We played half the weekend good and half bad. I'd sure like to play the Valley game over again," remarked Davis. "We were cold from the field (41%) and overall just weren't ready."

The Aztecs had a real rough time in the Valley game. Not only were the Aztecs cold from the floor, but they also committed 21 turnovers. Neither helped much considering Valley shot a sizzling 62% from the field.

Saturday, things were a little different as the Aztecs gave Davis a fine win over a UC Irvine team he had coached the season before.

Joe Lavender recovered from his sub-par berformance of the night before to pop in 20 points and snare seven rebounds in a good all-round performance. Jon Borchert was a veritable vacuum on the boards, especially in the second half, as he pulled down 13 rebounds.

Crosby, Stills, Etc. In Balboa Concert

The Crosby, Stills, Nash & Young show (with Taylor and Reeves) has proven so successful in advance that promoters have changed time and venue to accommodate more fans.

The group, presenting all the best elements of several different rock groups, will appear Sunday afternoon instead of Friday night as originally planned.

The concert has been shifted to Balboa Stadium and seating will be unreserved, on the grass.

As if that wasn't enough, another act has been added to the bill — Canned Heat, one of the best blues bands around today.

All this starts at 2 p.m. at Balboa.

Crosby, Stills, etc. are a joy to watch, in concert, laying down their harmonies with loving care.

Steve Stills, the acknowledged musical leader of the group, is the energy core, writing, playing guitar and singing.

Graham Nash and David Crosby, are the group's harmonizers and cheerleaders, although both contribute songs and step into the spotlight.

Crosby plays 12-string guitar while Nash sits at organ at times.

Neil Young, the group's newest member, is a luxury, a fourth corner. He can do it all, sing, write, play, so the problem is arranging all this talent so it doesn't get in its own way.

As a result, Crosby, Stills and Nash, the original trio, backed by drummer Dallas Taylor, will start out a concert with acoustic music.

Young is brought in later to make his own unique contribution.

A solo artist with a pair of albums to his credit, Young will also often combine with Stills for re-working of old Buffalo Springfield numbers.

Young and Stills were key members of the now-defunct Springfield, between them writing nearly all of the group's material.

Canned Heat features the blues guitar work of Henry Vestine and the gutsy singing of Bob (Bear) Hite, a former folkie.

The group is heavily into down-home blues.

Holiday Recital At Park

Carillonneur Paul D. Peery will present his annual Christmas Carillon Recital in Balboa Park on Dec. 25 at 1 p.m., the San Diego Recreation Department has announced.

The program, presented on the Ona May Lowe 100-bell carillon in the California Tower of the Museum of Man, will be divided between the well-known Christmas hymns and carols from other lands, according to Peery.

Best audition points are the Organ Pavilion and the grassy slopes east of Sixth ave. on either side of Laurel st., Peery said.

Symphony Assn. Tells Policy

The Executive Committee of the San Diego Symphony Orchestra Association issued a policy statement concerning its future.

The action followed the announcement that the orchestra's current winter series was being cancelled for lack of operating funds.

In a letter Symphony Association President Robert J. Sullivan had informed the local Musicians Union that the current Master Agreement with the orchestra members was being cancelled simultaneously with the season.

Appollo Press Exhibit Feature

Grossmont College has opened an exhibit of foreign newspaper front pages celebrating the Apollo 11 flight and man's first step on the moon in the Student Center.

The exhibit, provided through the cooperation of the Union Tribune Publishing Company, indicates world-wide reaction to the epic flight of Apollo 11.

This historical exhibit of the original front pages of newspapers from around the world is a part of a collection that is the only one of its kind in the world.

The public is invited to view the unusual exhibit relating the leadership of United States in space exploration. Viewing hours are from 7:30 a.m. to 4 p.m., Monday through Friday. There is no admission charge.

Lose 10 lbs. in 10 days on Grapefruit Diet

—This is the revolutionary grapefruit diet that everyone is suddenly talking about. Thousands of copies have been passed from hand to hand in factories, plants and offices throughout the U.S.

Because this diet really works. We have testimonials reporting on its success. If you follow it exactly, you should lose 10 pounds in 10 days. No weight loss in the first four days but you will suddenly drop 5 pounds on the 5th day. Thereafter lose one pound a day until the 10th day. Then you will lose 1½ pounds every two days until you get down to your proper weight. Best of all, there will be no hunger pangs. Revised and enlarged, this diet lets you stuff yourself with formerly "forbidden" foods, such as steaks trimmed with fat, roast or fried chicken, gravies, mayonnaise, lobster swimming in butter, bacon fats, sausages and scrambled eggs and still lose weight. The secret behind this "quick weight loss" diet is simple. Fat does not form fat. And the grapefruit juice in this diet acts as a catalyst (the "trigger") to start the fat burning process. You stuff yourself on the permitted food listed in the diet plan, and still lose unsightly fat and excess body fluids. A copy of this startling successful diet can be obtained by sending $3 for 1 or 2 for $5 to

Money-back guarantee. If after trying the diet you have not lost 7 pounds in the first seven days, another 6 pounds in the next 7 days, and 1½ pounds every two days thereafter, simply return the diet plan and your $3 will be refunded promptly and without argument. Tear out this message as a reminder. Decide now to regain the trim attractive figure of your youth.

Highlanders Help Needy

Yes, Virginia, there is a Santa Claus and for several hundred needy children in San Diego he will be represented by the Helix High School Spanish and German classes.

For the second year, Helix High language students have collected candy and toys to help brighten Christmas for underprivileged children.

From December 1-15, students brought in candy and toys for children attending a southeast San Diego elementary school.

Santa Claus will distribute the gifts at a Christmas party, to be held at the school one day during the last week of school before Christmas vacation.

The day before the party the gifts and candy are loaded into trucks and taken to the school to be given out the next morning.

One student selected from each participating class will attend the party to help the children receive their gifts.

Teachers whose classes are participating in the project are Mrs. Jean Costa, Mrs. Nadia Davies, Miss Maria Heimpel, Philip Knott, and Mrs Yolanda Ornelas.

"We hope to surpass last year's goal of 72,000 pieces of candy and 1,500 toys," Mrs. Nadie Davies, co-ordinator of the project, said.

"Helix students once again are showing that the youth of today is as good as it ever was," she added.

The Salvation Army was formed in 1878.

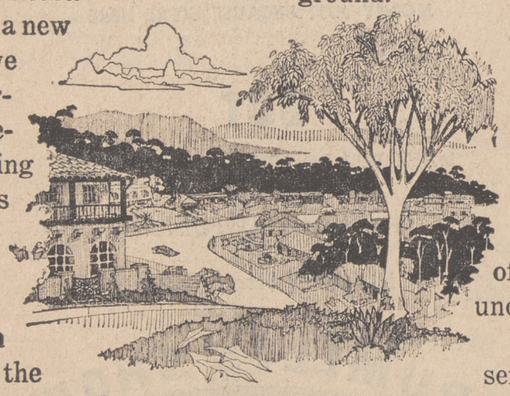
Introducing a continuing report on the progress of undergrounding electric lines in the San Diego area.

The primary commitment of the San Diego Gas & Electric Company through the years has been to provide its customers with reliable gas and electric service at the lowest possible cost.

Today we have a new responsibility. As we build to meet tomorrow's power requirements, we are striving to help preserve this area's quality environment.



For several years, we have been actively engaged in the planning and implementation of a forward-looking program for the undergrounding of electric lines. And, we are doing it without increasing our electric rates. Over 480 miles of our electric distribution system is now underground. In 1968-69 we budgeted $2.8 million for the conversion of overhead lines to underground.

Upcoming reports will describe significant aspects of our total undergrounding program, including the role of state and local government, and the selection of areas for conversion to underground service.

While working to serve the power needs of a growing population, we also share the community's concern for maintaining the area's enviable standing as one of the best places in the world in which to live.

CHAR-BURGER OPENING — Cutting the ribbon at the opening of Lemon Grove's Char-Burger drive-thru are Carl Jensen, president of Char-Burger; Carl Roll, owner of the unit; Harry Scheidle, District 3 Supervisor; and Frank Shughrue, president of the Lemon Grove Chamber of Commerce.

Char-Burger Speeds, Feeds Customers Here

Executives of Char-Burger, Inc. are becoming as familiar with ribbon cutting as they are with their fast selling blue ribbon food chain.

Last Friday the Southern California based corporation opened its third Char-Burger "Stop 'N' Go" double drive through unit at 7540 Broadway, Lemon Grove, as a prelude to a plannined 3,000 across the nation.

With four more units now under construction in San Diego County, the fast food chain hopes to have units operating in Los Angeles and Orange Counties by May, 1970.

Within three years, Char-Burger executives project that 150 units will be operating between Los Angeles and San Diego.

While company officials are cutting ribbons at new openings, the double drive through concept continues to move customers through at faster rates.

"Discarding the archaic single window layout, Char-Burger's 'Stop N Go' double window concept moves cars through quickly and economically to avoid long lines and short tempers that plague single window operations during peak hours," according to Carl Jensen, Char-Burger president.

With a pick up window on each side of the drive-through, order speakers less than two car length away, and a single type menu, Char-Burger executives report a fast customer turnover and return.

Observations at the units now operating have clocked cars going through at the rate of one every three minutes. The grill faces the front window and the entire operation can be handled comfortably by two men.

Customers are offered two types of char-broiled burger sandwiches. The "Beefeater" at 75 cents and the "Char-Burger" at 45 cents.

The "Char-Burger", the name-sake of the rapidly growing fast food chain, is a quarter pound of lean char-broiled meat adorned with lettuce, tomato and onions with Char-Burger's own sauce between a tasty seasame egg roll bun.

Char-Burger is an affiliate of Mar-Jen Sales, Inc., Southern California's leader in sales of automatic car wash equipment.

Area Men Picked

When the San Diego Upholsterers and Decorators Assn. (CUDA) met recently, area men were elected to two top posts.

Ron Franklin, from All-American Upholstery in Lemon Grove, was elected president of CUDA.

Greg Barker, from Barmac Upholstery in Spring Valley, was voted secretary of the organization.

Gas Company To Finance Underground

SAN DIEGO — The San Diego Gas & Electric Company will increase the amount of money budgeted for conversion of its overhead electric distribution lines to underground in 1970, Joseph F. Sinnott, company president, said.

Sinnott said the company has budgeted $2,125,000 for next year's conversion projects, an increase of $425,000 over the amount for the current year and $975,000 over that for 1968.

The new amount will be allocated to cities and unincorporated areas in the company's service territory on the basis of the number of electric customers in each.

In addition, an estimated $1,950,000 in unspent funds from the 1968 and 1969 allocations will be carried over for municipalities having active underground conversion programs, raising the total available for such projects next year to approximately $4,075,000.

Ten projects have been completed with 1968 and 1969 funds, and five others are under construction. Engineering design for several of next year's projects is nearly complete, and construction is expected to start soon after the first of the year.

U. S. exports of dairy products in 1969 may equal year 1968's 1.2 billion pounds. Large foreign supplies of dairy products continue to seek outlets in the U. S., but despite this, imports this year are expected to be below 1968's 1.8 billion pounds, due mainly to import quotas.

One hour of U. S. farm labor in 1969 produced 2½ times as much as it did only fifteen years ago!

HONORED — The Russell Love Family of SV received special honors recently as Dr. Love, an optometrist, was elected 1970 president of the San Diego County Optometric Society.
He was installed, with other officers, at a special dinner at the La Costa Country Club. Dr. Love is shown as he receives a special token of the honor from daughter Mrs. Sally Lull and wife Mrs. Dorothy Love, right. Looking on in obvious approval is the Love's other daughter, Betsy Love.
The Love's are an "optometry family" with Mr. Lull a pre-optometry student, and Mrs. Lull helping in her father's office as an assistant.

Extra Pups, Kittens At Humane Society

Each year the San Diego Humane Society does a tremendous business in placing puppies in homes as Christmas gifts. The Society's Shelter located at 887 Sherman st. is ready to receive puppies now.

The big push usually comes the last week before Christmas, when parents come in to make their selection. In past years, by Christmas Eve, there is not a puppy or kitten on the Shelter premises.

In fact, the day before Christmas at the Shelter usually finds people snatching puppies away from each other in a last minute frantic attempt to get that cute little cuddly pet to put under the Christmas tree.

The Humane Society hopes that all people who have an them to the Shelter any time excess of puppies will bring from now until Christmas.

Program Tonight In Spring Valley

HELPING HAND — The priority job of the American National Red Cross on Okinawa is its emergency services program. This is a multi-phased activity that forges a major communications link between servicemen stationed overseas and their families in the States.
Here, Wilbur W. Strange of 1345 Walbollin Street, Spring Valley, assistant field director at Camp Hansen, counsels a serviceman needing emergency assistance.

FOR UNIFORMS — Jerry Mather, left, president of the Lemon Grove Lions Club, brought a check for $100 to members of the Lemon Grove Jr. High band for their drive for new uniforms.
Accepting are Colleen O'Connor, principal Lou Poluzzi, Carol Klee and Henry Domingo. The donation leaves the band just $400 short of their goal. New uniforms are already on order and are scheduled to arrive this week.
